## Introduction

This document outlines the policies and procedures for all students attending Longburn Adventist College.

### Mission Statement

*“In Christ, we educate, encourage and empower.”*

Longburn Adventist College is a co-educational day/boarding school with a comprehensive programme from Year 7 to Year 13. The property is owned by the New Zealand Seventh-day Adventist Schools' Association Ltd to provide education with a special character in harmony with the Christian beliefs, values and lifestyle of the Seventh-day Adventist Church. This means that the school is committed to:

1. A belief that God loves us and desires the best for us - spiritually, physically, intellectually, emotionally and socially.
2. A belief that God is Creator and Ruler of the universe.
3. A belief in the Bible as the revealed Word of God.
4. A belief that all truth finds its centre and unity in Christ.
5. A belief that Jesus Christ is our only means of salvation.
6. A belief that the Holy Spirit leads us to truth and empowers the believer.

### Belief Statements

- The Gospel of Jesus Christ provides the basis for Christian education.
- Church and college work in partnership to enhance the school's spiritual emphasis.
- Community links that develop the concept of service are to be fostered and developed.
- The special relationship engendered by the Treaty of Waitangi is to be upheld.
- All facets of college life should demonstrate respect for individuals and groups from varying cultural and personal backgrounds.
- Learning empowers people to become more independent by applying skills and knowledge to their environment.
- Teaching is to facilitate learning.
- Academic excellence is to be actively encouraged.
- Curricula are to be comprehensive, integrated and balanced.
- Evaluation processes are to be regular, consistent, easily understood and equitable.
- Lifestyle principles will be based on Scripture.
- Discipline models will focus on the Christian principle of self-discipline.
- Supervision is to be custodial and developmental.
- Equity issues will be addressed, within the bounds of available resources, by assessment of and provision for people with special needs.
- Physical activity improves the total well-being of the individual.

- Work is a dignified activity.
- People are social beings.
- Alumni involvement enhances the College programme.

### Special Character

The Special Character of a Seventh-day Adventist School is defined by:

- A faith system made up of the Seventh-day Adventist Christian beliefs, values and lifestyle, as determined from time to time by the Longburn Adventist College Board of Governors.
- The achievement of these beliefs in the daily well-being of the child through a commitment to a holistic development of one's spiritual, physical, intellectual, emotional and social well being.
- The provision of learning within the special character that is in harmony with the Christian beliefs of the Seventh-day Adventist Church.
- Seventh-day Adventists believe in the seventh-day Sabbath and the second advent of Jesus Christ.
- The provision of an environment where the students can develop a personal relationship with Jesus Christ rather than an intellectual understanding. All knowledge must be measured against biblical truth.
- The goal to equip students through participation in activities and new interests, to empower the students to strive for their goals and for the students to make Jesus Christ first and foremost in their life.

### Preferencing

LAC is a state-integrated school and all new students legally must have their 'preference' determined. This is done at the time of enrolment. Where the student (and/or family) is a practising and observant member of a Christian church, then that student is deemed to be 'preferenced'. Where there is no connection with a Christian church, then that student is deemed to be 'non-preferenced'. The Ministry of Education limits the number of 'non-preferenced' students that the college can enrol.

### Board of Trustees (BOT)

The Board of Trustees is the governing body of the LAC day school. It is made up of members from LAC management, parents and other stakeholders who are nominated by the school body. Their role is to govern school decisions and to support the teaching and management staff.

### Damage

## General Emergencies

### Fire Drill

Follow the directions posted in buildings and instructions given by appointed persons when a continuous siren is sounded, or you are aware of a fire or imminent danger e.g. chemical spill.

- If in doubt, remember '**go to the tennis courts!**'
- Be aware of evacuation procedures and where fire hydrants are stored.
- It is a serious offence to tamper with fire alarms or equipment, and this will result in serious consequences.
- The assembly area for all students and staff is located on the tennis court at the far end of the technology building.
- Students are to assemble in their roll mark groups if the alarm occurs during day-school hours.

### Earthquake Drill

**DROP** down onto your hands and knees (before the earthquake knocks you down). This position protects you from falling but allows you to still move if necessary.

**COVER** your head and neck (and your entire body if possible) and seek shelter if possible, e.g., under a desk. If there is no shelter nearby, get down near an interior wall (or next to low-lying furniture that won't fall on you), and cover your head and neck with your arms and hands. If you are outside, move away from buildings, trees, or power lines if possible then drop, cover and hold.

**HOLD** on to your shelter (or your position to protect your head and neck) until the shaking stops. Be prepared to move with your shelter if the shaking shifts it around.

The evacuation siren will sound after an earthquake if required. In the case of a 'small' earthquake, there may

be no reason to evacuate.

## First Aid/Sickness

If you become sick or injured during the school day, you are to report to reception. Your individual circumstances will be assessed, and the appropriate action will take place. In the event of an injury or near-miss, you will need to fill in an incident form.

Note: It is a legal requirement to have written permission from your parent(s)/caregiver(s) before you can be given Panadol by the school. Permission slips are available from reception. Boarders need to report to LAC. House Deans out of school hours.

## Lockdown Procedures

### Why have Lockdowns?

There are situations where the safety of students and staff is best responded to by going into a lockdown.

Possible Reasons for a lockdown: armed offender, chemical spill, severe weather e.g. lightning, bomb threat, environmental e.g. a herd of dairy cows/bulls find their way onto the property, and the scenarios we haven't thought of.

### What is a Lockdown?

Students and staff are to make their way to the nearest lockable room which they have access to and is safe to do so. Students and staff need to consider whether 'fleeing' is a safer option.

- Once in the room, doors are to be locked and barricaded where possible.
- Students and staff are to take cover preferably under desks and away from sight.
- Students and staff are to remain calm and quiet so as not to alert potential intruders to your whereabouts.
- Stay in the classroom until the all clear is given by a Police Officer or a member of Senior Management.
- Students and staff can close windows and curtains, depending on the room.

### Who initiates a Lockdown and when?

Any staff members can initiate a lockdown. Students need to alert a staff member. Post lockdown no staff member will be 'criticised' or be held accountable for putting the school on lockdown.

A Lockdown should be initiated when there is a significant risk to the safety of staff and/or students that are best responded to by going into lockdown.

### Things to consider before initiating a lockdown:

- Degree of risk/personal safety e.g. someone carrying a firearm
- Alternative strategies
- Our ability to manage people as a group e.g. chemical spill
- The effectiveness of a Lockdown, they are not good in a fire!

### How do I initiate a Lockdown?

The student will inform a staff member of the situation,

and they will start the lockdown siren. The lockdown siren can be activated from reception, the staff room and the deputy principal's office.

**STOP, THINK, ACT, REVIEW** and be a **STAR!**  
**What is the safest option? Make it happen!**

## Health and Safety

### Hazards

If students identify something around the school that could be a potential hazard notify reception and/or the Deputy Principal immediately so that reasonable steps can be taken to eliminate or minimise the risk. We want to be able to provide a safe environment for all.

Students are encouraged to ensure that their acts are not a risk to the health and safety of others.

### Surrender And Retention Of Property & Searches

A student may be asked by a teacher to produce, reveal and surrender items or devices in their possession in the following cases:

- If there is a belief or evidence that a student has items or devices that contain content that is likely to endanger the safety of others.
- If there is a belief or evidence that the item or device is likely to affect the learning environment negatively or pose harm to the physical or emotional safety of any person.

A search may be conducted if there is a belief or evidence that the student has something that is harmful.

Refusal to cooperate in these instances will result in the school's discipline process being applied.

## Student Services

- The school chaplain can be found at the chapel's office.
- The guidance counsellor can be found at the International Student Centre, Block B.
- If neither the school chaplain or guidance counsellor are not in their offices, please see the receptionist to locate them.
- Students need a note from either the school chaplain or guidance counsellor before they can seek permission from their teacher to miss class.

# Student Responsibility

## Academic Policy for Students

### Appeals

If you have a concern about the marking of work, the recording of results or other academic issues, see the class teacher involved. If the issue still remains, obtain an 'Academic Appeal Form' from the College office. Return the completed form to the appropriate Year Level Dean.

### Deadlines

Requests for extensions to the assignment due dates need to be made well in advance of the due date. Teachers need to provide students with the opportunity of sighting the marked work within two weeks of the teacher receiving it.

### Authenticity

Students cannot use work that is not their own to gain credits. Whenever someone else's words are used, they need to be acknowledged as the source. Plagiarism is a serious offence and will be referred to the College's Academic Committee for disciplinary action. The student will also gain no credit for the activity and will have no reassessment opportunity.

### Assessments

Teachers will provide wherever possible (some field trips/practical work may not be able to be repeated) at least one reassessment opportunity for each internal Unit Standard/Achievement Standard. Students who know they will miss (or have missed) an assessment need to fill in a 'Compassionate Consideration Form' which is available from the receptionist and then return this completed form to their Year Level Dean.

## Head Boy, Head Girl & Prefects

The Head Boy, Head Girl and Prefects are appointed from the senior school to help with the running of the day school and to represent the school at any official functions during the year. It is an honour for a student to receive such an appointment.

- All prefects will take on a range of roles.
- Each prefect will also select an associate.

## Educational Responsibility

Students have a responsibility to be prepared for class and to strive for their highest possible level of academic achievement. Students are expected to approach their studies with honesty and shall not engage in activities such as cheating in exams, plagiarism or unauthorised use of material. Parents must be notified for an infraction of this rule.

## School Transport Policy

- Consumption of food or drink in vans or buses will be at the discretion of the driver or supervisor.
- Litter is not to be thrown from the vans or buses.

- Objects are not to protrude from the vans' or buses' windows.
- Appropriate behaviour on all school transport is required at all times.

## Social Relations

- There are to be **no** public displays of affection between any students.

## Stationery

- Students are expected to supply their own stationery.
- Intermediate students may be supplied with stationery and will be notified accordingly.
- All items must be clearly labelled so they can be easily identified if misplaced or lost.

# Change to Enrolment

## Change to Academic Programme

If you wish to alter your academic programme, then you must see the Assistant Principal and fill out the appropriate form within the first month of school. No other changes will be made after that time period.

## Change to Student Status

Should you wish to change your status from being a day student to a five-day or seven-day boarder, or vice versa, the application must be made by the caregivers to the Principal.

## Debtors Policy

The LAC Debtors Policy is available on the [LAC website](#).

## Withdrawal Procedure

If you wish to withdraw from College for any reason, a Student Leaving Clearance form needs to be collected from the office and completed.

Textbooks, library books and accounts need to be settled.

# Code of Behaviour

## ASPIRE – PB4L At LAC

Positive Behaviour For Learning (PB4L) is a school-wide supportive approach that develops a school culture where positive behaviour and learning thrive.

At LAC we focus on the following behaviours:

*Leading with Integrity*

*Acting with Respect*

*Cultivating Resilience*

These behaviours are taught through the year and when teachers observe students demonstrating the desired behaviours they reward students by adding a stamp to their diaries. At the end of each term, these stamps are traded in for goods at the ASPIRE Celebration day.

# Discipline Procedures

## General Expectations

Attending Longburn Adventist College is a privilege. Students are expected to behave in a way that reflects the values and morals of the school's philosophy.

- Longburn Adventist College recognises that students are responsible for their actions and behaviour, and are therefore accountable for the resulting natural consequences of inappropriate actions or behaviour.
- Longburn Adventist College believes that all students and adults at LAC should treat all persons equally and respectfully, and refrain from the willful or negligent use of slurs against any person on the basis of race, language spoken, colour, religion, gender, disability, national origin, immigration status, or age.
- Students are expected to actively support and assist the school in maintaining a campus free from drugs, alcohol, any form of harmful substances, weapons and gang activity.
- Longburn Adventist College also recognises the responsibility of the parents for the behaviour of their children, and actively includes them in the disciplinary process.

The Deputy Principal has been empowered by the Board of Trustees to investigate and assist the Principal in all matters relating to any student in regard to the breaking of any educational law or school rule.

The Discipline Procedure and Detention outline:

### Misconduct/Misbehaviour Consequences:

- Students are expected to cooperate with their subject teachers and complete any consequences in the agreed reasonable timeframe. Failure to do this is defiance.
- Continual misbehaviour/defiance is referred to the Year Level Dean. The Dean will use a range of strategies to assist students to self-correct their behaviour. School Detentions are given by the Dean and Deputy Principal.
- Three School Detentions in a term will result in an individual meeting with the Year Level Dean, Deputy Principal, the student and their parent(s)/caregiver(s). The purpose of this meeting will be to address concerns and seek a plan forward for improved conduct/behaviour.

### Restorative Processes

Where inappropriate behaviour/conduct has occurred, students are encouraged to be involved in a restorative process with either their teacher, the Year Level Dean or the Deputy Principal where applicable. The student who has demonstrated the inappropriate behaviour will:

1. Tell the story of what happened;

2. Explore the harm caused by their actions;
3. Repair the harm;
4. Reach an agreement for next steps, including support.

In case of serious misbehaviour/conduct, the students involved will be encouraged to take part in a restorative process.

## Serious Discipline Issues

The following regulations have been adopted to maintain the safety of the campus and while students are on school trips/camps or while the student is wearing the school uniform, to and from home:

- Drug use/abuse - the use, sale, or possession of illicit drugs, tobacco, or alcohol on campus, during the school day, at or after school functions, or on school-sponsored trips, are regarded as severe breaches of school rules. This includes students who attend school-related functions whilst under the influence of a drug or alcohol.
- Gang Involvement - Any type of gang activity or gang association will not be tolerated.
- Gang symbols on notebooks, lockers, bags, etc., or gang clothing are not allowed on campus.
- Weapons - Possession of firearms, knives, or any explosives on campus is expressly forbidden.
- Theft and Vandalism - Students are expected to respect the school's property as well as property belonging to others on campus and in the community. Vandalism and taking property belonging to others are serious offences.
- Threatening behaviour, including verbal or physical behaviour or assault directed towards any employee or students will not be tolerated.
- Violence and fighting will not be tolerated.

## Serious Misbehaviour

Actions that are considered to be serious misconduct are:

- If the student's gross misconduct or continual disobedience is a harmful or dangerous example to other students at the school, or
- Because of the student's behaviour, it is likely that the student or other students at the school will be seriously harmed if the student is not suspended. (School Discipline and the Law p.15)

## Consequences of Serious Misbehaviour:

- **Stand Down:** a student can be stood down by the Principal for one or more specified periods which: do not total more than five days in a school term; do not total more than 10 days in a school year.
- **Suspension:** a student can be suspended indefinitely only by the Board of Trustees, but the Principal may suspend a student for up to seven school days or 10 calendar days if the suspension is given just before the end of the term. The BOT discipline committee meets with the student and

parents to discuss the concern(s) and decide on whether the student can return to LAC.

- **Voluntary Withdrawal:** a student can choose to withdraw from the school at any time, but once a student is suspended the BOT is legally bound to make a decision irrespective of the student being withdrawn from school.
- **Exclusion:** A student is not permitted to return to LAC.
- **Exclusion on Health Grounds:** A student can be excluded from school by the Principal under s19 of the Education Act if the student has a communicable disease (within the meaning of the Health Act 1956) or is not clean.
