Welcome

Dear Parents and Students

This document contains information on all subjects offered at Longburn Adventist College for NCEA Level 2, 2019. Information provided will assist you in helping your child to make informed choices about the pathway they need to take towards their career choice.

Subject pathways need to be very carefully considered when students move into Year 12 and onto an NCEA Level 2 programme. They will want to choose subjects that they will pursue through to Year 13. Students are encouraged to continue a broad range of subjects at this level. Of 6 subjects, 2 of them are core subjects at LAC for Year 12 which are Religious Studies and English. The other four subjects are chosen by the students from a range of options. Students are required to select 6 subjects in order of preference for development of the timetable.

If students are considering a tertiary pathway at University when they leave school then they will need to know what the prerequisites are for the Uni courses and ensure that they have a range of subjects that support their ability to get into their chosen field of study. They will also need to consider a range of subjects that can support their ability to gain UE.

Good subject choices will be made if students consult with parents/caregivers and teachers. Student's subject choices will initially be collected. This information will help the school work out a timetable. It is important that subject choices are made carefully.

While the information in this booklet is accurate at the time of going to print, reviews by NZQA or subject teachers may result in some changes to the Achievement or Unit Standards offered for a subject. Students are notified of the assessment programme for a subject at the beginning of term one in the new year.

If you require further help, please contact Mrs Aiono.

I hope that this information may start you thinking about the various options available to you.

Planning A Course For NCEA Level 2

1. Your Compulsory Subjects:

- Religious Studies
- English

2. Choose 6 Option Subjects in order of preference from:

- Biology
- Chemistry
- Computing / Digital Technologies
- Geography
- Hospitality
- Mathematics with Statistics
- Music
- Photography
- Physics
- Building Construction
- Commerce
- Design
- History
- Mathematics with Calculus
- Media Studies
- Painting
- Physical Education
- Tourism

3. Fill in Your Option Choice Form:

This will be done electronically over the coming weeks

4. Important School Policies for NCEA at LAC

Please refer to your Student Diary for the NCEA Policies at LAC. In general, LAC subject areas do not provide an opportunity for reassessment of internal achievement standards. You need to be aware of the Policies for Authenticity, Resubmission, Appeals, Absences and Lateness, and checking records of your results.

5. Not all courses offered will run.

It will depend on the number of students selecting the course and the availability of staffing. Select courses carefully as it may be difficult to change courses at a later time.

6. If in doubt, contact the Assistant Principal or relevant HOD

Please note that the entry requirements listed for subjects are to provide students guidance for subject selection. These requirements will help students to understand prior learning that will enable the best possibility for success. If you have any questions regarding this, please contact Mrs Aiono or the relevant Leader of Learning.

Level 2 Biology

Qualification:

NCEA Level 2 Achievement Standards - This subject provides you with the opportunity to gain credits towards the National Certificate of Educational Achievement.

Entry Requirement:

Level 1 Biology

Course Description:

Life is incredibly varied, yet based on common processes. Biologists – and students studying biology – seek evidence to explain the nature of living things, and to understand where and how life is evolving, how evolution links life processes and ecology, and the impact that humans have on all forms of life. Through learning in biology, students discover that life involves interactions at all levels of organisation: cells interact with their environment and with each other, so do organs, organisms and ecosystems. No living thing exists in isolation from its environment.

Achievement Standards that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Lit/Num	Full Title	Internal/External
AS 91153	2	2	4	Num	Carry out a practical investigation in a Biology context	Internal
AS 91154	2	2	3	Lit	Analyse the biological validity of information presented to the public	Internal
AS 91155	2	2	3	Lit	Demonstrate understanding of adaptation of plants or animals to their way of life	Internal
AS 91156	2	2	4	Lit	Demonstrate understanding of life processes at the cellular level	External
AS 91157	2	2	4	Lit	Demonstrate understanding of genetic variation and change	External
AS 91158	2	2	4	Lit	Investigate a pattern in an ecological community, with supervision	Internal
AS 91159	2	2	4	Lit	Demonstrate understanding of gene expression	External
AS 91160	2	2	3	-	Investigate biological material at the microscopic level	Internal
Total Credits offered						20

Level 2 “BConstructive” Building Construction

Qualification:

Building Construction Level 2 (Unit Standards)

Entry Requirement:

None, but students find it easier if they have taken Woodwork or Building Construction in the previous year

Course Description:

The “BConstructive” course is designed as a progressive pathway for students wanting to integrate into a wide range of trade related occupations when they leave school, but not limited to these students. It is mostly a practical based course in the workshop.

The course is a total of 30 credits, which must be gained to achieve the certificate. These credits will be offered, in English and the Woodwork shop.

Course Costs:

\$80 for materials and take home projects.

Unit Standards that will be drawn from for an assessment programme:

US No.	Level	No. of Projects	Name	Credits
US 12927 Compulsory	2	3	Use and maintain hand tools	6
US 12932	2	2	Construct timber furniture	8
US 24350 Compulsory	2	2	Use and maintain portable power tools	6
US 24354 Compulsory	2	0	Know and apply safe working practices	4
US 24357 Compulsory	2	4	Communication	4
US 24358 Compulsory	2	1	Quality check	2
Total Credits offered				30

Level 2 Chemistry

Qualification:

NCEA Level 2 Achievement Standards - This subject provides you with the opportunity to gain credits towards the National Certificate of Educational Achievement.

Entry Requirement:

Level 1 Science

Course Description:

Chemistry is about understanding the properties of different substances and how these substances can change. Chemistry allows us to predict how substances may alter when the surrounding conditions change, or how they may react to form new substances, and to explain why this happens. Chemists are continually changing matter into new and more useful forms. Chemists and students who study chemistry use their understanding of atoms, molecules, and ions – particles that are too tiny to be seen with our eyes – to explain and predict the properties and behaviour of different materials.

Achievement Standards that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Lit/Num	Full Title	Internal/External
AS 91161	2	2	5	Num	Carry out quantitative analysis	External
AS 91162	2	2	3	Lit	Carry out procedures to identify ions present in solution	Internal
AS 91163	2	2	3	Lit	Demonstrate understanding of the chemistry used in the development of a current technology	Internal
AS 91164	2	2	3	Lit	Demonstrate understanding of bonding, structure, properties and energy changes	External
AS 91165	2	2	4	Lit	Demonstrate understanding of the properties of selected organic compounds	External
AS 91167	2	2	3	-	Demonstrate understanding of oxidation-reduction	Internal

Level 2 Commerce

A combination of
Accounting and Economics

Qualification:

NCEA Level 2 Achievement Standards – This subject provides you with the opportunity to gain credits towards the National Certificate of Education.

Entry Requirement:

It is preferred that students have achieved NCEA Level 1 Commerce (at least 3 standards of which 1 is an External) or for students who have not taken Level 1 Commerce, Level 1 English (at least 1 External standard)

Course Description:

Accounting enables students to develop the knowledge and skills to manage and communicate the financial affairs of individuals, communities, and businesses.

Economics enables students to understand how economic concepts and models provide a means of analysing contemporary New Zealand issues and how government policies and contemporary issues interact.

Achievement Standards that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Lit/Num	Full Title	Internal/External
AS 91174	2	2	4	Lit	Demonstrate understanding of accounting concepts for an entity that operates accounting subsystems	External
AS 91175	2	2	4	Num	Demonstrate understanding of accounting processing using accounting software	Internal
AS 91176	2	2	5	Num	Prepare financial information for an entity that operates accounting subsystems	External
AS 91177	2	2	4	Lit Num	Interpret accounting information for entities that operate accounting subsystems	External
AS 91481	2	2	4		Demonstrate understanding of a contemporary accounting issue for decision-making	Internal
AS 91386	2	2	3		Demonstrate understanding of an inventory subsystem for an entity	Internal
AS 91222	2	2	4	Lit Writ	Analyse inflation using economic concepts and models	External
AS 91223	2	2	4	Lit Writ	Analyse economic growth using economic concepts and models	External
AS 91224	2	2	4	Lit Writ	Analyse international trade using economic concepts and models	External
AS 91225	2	2	4	Lit	Analyse unemployment using economic concepts and models	Internal
AS 91227	2	2	6	Lit Writ/Read	Analyse how government policies and contemporary economic issues interact	Internal

Total Credits offered 20

Level 2 Computing

Qualification:

NCEA Level 2 Computing; Contributes to the National Certificate in Computing Level 3

Entry Requirement:

Open Entry

Course Description:

This subject introduces student to the topic of computing and teaches them the skills to participate in an Information Technology society. It also teaches them valuable and essential skills that can be transferred to many other fields of learning

Unit Standards (US) and Achievement Standards (AS) that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Full Title	Internal/ External
US 111	8	2	5	Use a word processor to produce documents for a business or organisation [Uses MS Word 2013] (Business administration)	Internal
US 2784	7	2	3	Create and use a computer spreadsheet to solve a problem	Internal
US 5940	8	2	3	Produce a presentation using a desktop presentation computer application	Internal
US 6743	7	2	2	Demonstrate an understanding of ergonomic principles for computer workstations	Internal

Level 2 Design

Qualification:

NCEA Level 2 Achievement Standards - This subject provides you with the opportunity to gain credits towards the National Certificate of Education

Entry Requirements:

Achieved Level 1 Art

Course Description:

In Design, students will pick one theme and carry it over all of the offered assessments. The external boards are an end product of a year long study around the students theme. This enables work that is created in internals to then be applicable to go on their external boards. Students will be using digital programs to achieve their desired end result.

Students will also:

- Research and analyse the influence of relevant contexts on their own work.
- Apply understanding from research into a range of established practice to extend skills for particular art-making purposes, using appropriate processes and procedures in design.
- Extend skills, in illustrator, indesign and photoshop.
- Generate, analyse, clarify, and extend ideas in design related to established practice
- Use a systematic approach to the development of ideas in a body of work.
- Research and analyse how artworks are constructed and presented to communicate meanings
- Use critical analysis to interpret and respond to art works.

Achievement Standards that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Lit/Num	Full Title	Internal/External
AS 91310	2	2	4	-	Use drawing methods to apply knowledge of conventions appropriate to Design	Internal
AS 91315	2	2	4	-	Develop ideas in a related series of drawings appropriate to established Design practice	Internal
AS 91320	2	2	12	-	Produce a systematic body of work that shows understanding of art-making conventions and ideas within Design	External
Total Credits offered						20

Level 2 English

Qualification:

NCEA Level 1 Achievement Standards - This subject provides you with the opportunity to gain credits towards the National Certificate of Education

Entry Requirement:

Level 1 English

Course Description:

English is about connecting with others and their ideas and communicating our own, using language correctly. English is about exploring our identities and building relationships. English is about finding and nurturing a voice to tell our stories and developing an ear to hear the stories of others. In doing so, we begin to understand where and how we all belong and fit into a global society.

Achievement Standards that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Lit/Num	Full Title	Internal/External
AS 91098	3	2	4	Lit Read/Write	Analyse specified aspect(s) of studied written text(s), supported by evidence	External
AS 91099	3	2	4	Lit Write	Analyse specified aspect(s) of studied visual or oral text(s), supported by evidence	External
AS 91100	2	2	4	Lit Read/Write	Analyse significant aspects of unfamiliar written text(s) through close reading, supported by evidence	External
AS 91101	2	2	6	Lit Write	Produce a selection of crafted and controlled writing	Internal
AS 91102	2	2	3	-	Construct and deliver a crafted and controlled oral text	Internal
AS 91104	2	2	4	-	Analyse significant connections across texts, supported by evidence	Internal
AS 91105	2	2	4	Lit Read	Use information literacy skills to form developed conclusion(s)	Internal
AS 91106	2	2	4	Lit Read	Form developed personal responses to independently read texts, supported by evidence	Internal
Total Credits offered						20

Level 2 Geography

Qualification:

NCEA Level 2 Achievement Standards - This subject provides you with the opportunity to gain credits towards the National Certification of Educational Achievement.

Entry Requirements:

Students have gained Level 1 Literacy

Course Description:

Geography is the study of the environment as the home of people. It seeks to interpret the world and how it changes over time – past, present, and future. It explores the relationships and connections between people and both natural and cultural environments. Geography investigates the ways in which features are arranged on the earth's surface. It describes and explains the patterns and processes that create them. Students learn to think spatially and use maps, visual images and new technologies, including geographical information systems (GIS), to obtain, present and analyse information.

Achievement Standards that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Lit/ Num	Full Title	Internal/ External
AS 91240	2	2	4	Lit Read / Write	Demonstrate geographic understanding of a large natural environment	External
AS 91241	2	2	3	-	Demonstrate geographic understanding of an urban pattern	Internal
AS 91242	2	2	4	Lit Read / Write	Demonstrate geographic understanding of differences in development	External
AS 91243	2	2	4	-	Demonstrate geographic understanding of differences in development	External
AS 91344	2	2	5	-	Conduct geographic research with guidance	Internal
AS 91345	2	2	3	-	Explain aspects of a contemporary New Zealand geographic issue	Internal
AS 91346	2	2	3	-	Explain aspects of a geographic topic at a global scale	Internal
AS 91347	2	2	3	-	Apply spatial analysis, with guidance, to solve a geographic problem	Internal
Total Credits offered						20

Level 2 History

Qualification:

NCEA Level 2 Achievement Standards - This subject provides you with the opportunity to gain credits towards the National Certificate of Educational Achievement.

Entry Requirement:

It is preferred that students have achieved NCEA Level 1 History (at least 3 standards of which 1 is an External) or for students who have not taken Level 1 History, Level 1 English (at least 1 External standard).

Course Description:

Where possible, history encompasses events occurring in New Zealand and/or global events involving or influencing New Zealanders. Historical scholarship encourages students to look for points of connection and for similarities and differences, and to focus on research that transcends the boundaries of nation states. Students are encouraged to question accepted interpretations of the past and to consider contesting theories of historians and commentators. This emphasis reflects contemporary historical scholarship. There is also a more holistic approach to understanding concepts of identity.

Achievement Standards that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Lit/Num	Full Title	Internal/External
AS 91229	2	2	4	Lit Read/Write	Carry out an inquiry of an historical event or place that is of significance to New Zealanders	Internal
AS 91230	2	2	5	Lit Read	Carry out an inquiry of an historical event or place that is of significance to New Zealanders	Internal
AS 91231	2	2	4	Lit Read/Write	Examine sources of an historical event that is of significance to New Zealanders	External
AS 91232	2	2	5	Lit Read	Interpret different perspectives of people in an historical event that is of significance to New Zealanders	Internal
AS 91233	2	2	5	Lit Read/Write	Examine causes and consequences of a significant historical event	External
Total Credits offered						20

Level 2 Hospitality

Qualification

NCEA Level 2 Unit Standards Course – This subject provides you with the opportunity to gain credits towards the National Certificate of Educational Achievement.

Entry Requirement:

It is recommended that students have completed Level 1 Hospitality.

Course Description:

Level 2 Hospitality follows the Unit Standard course framework. All learning materials are given to each student by an outside school supplier; Service IQ. During this course, students explore more in depth the different strands founded in the Hospitality Industry, in relation to food safety, food handling, knife skills and basic cookery skills. The Units offered during 2019 are subject to change as they will be dependent on students' interests.

Achievement Standards that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Lit/ Num	Full Title	Internal/ External
167	v8	2	4		Practice food safety methods in a food business, or demonstrate equivalent knowledge and skills	Internal
13272	v4	2	2		Cook food items by baking	Internal
13279	v3	2	2		Cook food items by microwaving	Internal
13281	v5	2	2		Prepare and present basic sandwiches for service	Internal
13284	v4	2	2		Clean food production areas and equipment	Internal
13285	v4	2	2		Handle and maintain knives in a commercial kitchen	Internal
14443	v4	2	2		Pack food and beverage orders for takeaway in a commercial hospitality environment	Internal
22234	v2	2	4		Compare characteristics of international dishes and prepare and present international dishes	Internal

Level 2

Mathematics with Calculus

Qualification:

This subject provides you with the opportunity to gain credits towards the National Certificate of Educational Achievement Level 2.

Entry Requirement:

Students should have gained at least 10 credits in Level 1 Mathematics including at least one externally assessed achievement standard. Placement into the course will be decided after consultation with students and the Learning Leader of Mathematics. This will also be dependent on numbers and availability of staff.

Course Description:

This subject aims to develop skills, concepts and understanding to enable students to use mathematics with confidence and to provide a pathway into Level 3 Mathematics or tertiary level vocational training. There are compulsory workbooks, and classwork and homework will be undertaken in these.

This course is made up of two internally assessed standards and three externally assessed standards.

Achievement Standards that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Lit/Num	Full Title	Internal/External
AS 91256	3	3	2	Num	Apply co-ordinate geometry methods in solving problems	Internal
AS 91259	3	2	3	Num	Apply trigonometric relationships in solving problems	Internal
AS 91261	3	2	4	Num	Apply algebraic methods in solving problems	External
AS 91262	3	2	5	Num	Apply calculus methods in solving problems	External
AS 91267	3	2	4	Lit /Num	Apply probability methods in solving problems	External
Total Credits offered						18

Level 2

Mathematics with Statistics

Qualification:

This subject provides you with the opportunity to gain credits towards the National Certificate of Educational Achievement Level 2.

Entry Requirement:

Students should have gained at least 10 credits in Level 1 Mathematics including at least one externally assessed achievement standard. Placement into this course will be decided after consultation with students and the Learning Leader of Mathematics.

Course Description:

This subject aims to develop skills, concepts and understanding to enable students to use mathematics with confidence and to provide a pathway into Level 3 Mathematics with Statistics or tertiary level vocational training. There are compulsory workbooks, and classwork and homework will be undertaken in these.

This course is made up of five internally assessed standards and one externally assessed standard.

Achievement Standards that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Lit/Num	Full Title	Internal/External
AS 91256	3	3	2	Num	Apply co-ordinate geometry methods in solving problems	Internal

Level 2 Media Studies

Qualification:

NCEA Level 2 Achievement Standards - This subject provides you with the opportunity to gain credits towards the National Certificate of Educational Achievement.

Entry Requirements:

- Level 1 Literacy
- Students will have ideally taken Visual Arts as a Year 10 Option

Course Cost:

\$80 (approx) for class trip

Course Description:

Media studies is about the active exploration, analysis, creation, and enjoyment of the media and its products.

Media studies examines the dynamic role of the media in society, how the media constructs messages about individuals, communities, and cultures and how media products are produced, controlled, and distributed.

Through Media Studies, students gain the knowledge and skills to conceive, plan, design and make media products that engage audiences.

Achievement Standards that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Lit/Num	Full Title	Internal/External
AS 91248	2	2	3	Lit Read/ Write	Demonstrate understanding of the relationship between a media product and its audience	External
AS 91249	2	2	4	Lit	Demonstrate understanding of narrative in media texts	Internal
AS 91252	2	2	4	Lit	Produce a design and plan for a developed media product using a range of conventions	Internal
AS 91254	2	2	3	Lit	Demonstrate understanding of an ethical issue in the media	Internal
AS 91255	2	2	3	Lit Write	Write developed media text for a specific target audience	Internal
Total Credits offered						20

Level 2 Music

Qualification:

NCEA Level 2 Achievement Standards - This subject provides you with the opportunity to gain credits towards the National Certificate of Education

Entry Requirement:

NCEA Level 1 Music; Instrumental lessons for 3 years

Course Description:

Students will:

- Perform music of greater length and complexity in solo and group performances
- Participate in a performance group of 3 to 7 members
- Compose music of greater length and complexity
- Continue to develop aural skills and understand characteristics of a wide range of written music
- Recall in an external exam, more complex detail about two large music works
- Research an aspect of New Zealand music
- Study a range of music styles including the Jazz, Rock, Baroque and Romantic period music

Achievement Standards that will be drawn from for an assessment programme:

Standard No.	Version	Level	Credits	Lit/ Num	Full Title	Internal/ External
AS 91270	2	2	6	-	Perform two substantial pieces of music as a featured soloist	Internal
AS 91274	2	2	3	-	Perform a substantial piece of music as a featured soloist on a second instrument	Internal
AS 91272	2	2	4	-	Demonstrate ensemble skills by performing a substantial piece of music as a member of a group	Internal
AS 91271	2	2	6	-	Compose two substantial pieces of music	Internal
AS 91275	2	2	4	-	Demonstrate aural understanding through written representation	External
AS 91276	2	2	4	-	Demonstrate knowledge of conventions in a range of music scores	External
AS 91277	2	2	6	-	Demonstrate understanding of two substantial contrasting music works	External
AS 91273	2	2	4	-	Devise an instrumentation for an ensemble	Internal
AS 91278	2	2	4	-	Investigate an aspect of New Zealand music	Internal

Level 2 Physical Education

Qualification:

NCEA Level 2 Achievement Standards - This subject provides you with the opportunity to gain credits towards the National Certificate of Educational Achievement.

Entry Requirement:

Level 1 Literacy

Course Description:

Students continue to develop their knowledge and understanding by applying bio-physical and socio-cultural aspects as they participate in movement contexts. Students engage in critical thinking to consider a range of perspectives and to challenge assumptions.

Ongoing reflection, analysis, and evaluation are important processes as students adapt to ever-changing situations and movement environments. They use these processes as they consider the social and cultural significance influencing performance and participation and make informed decisions about their own and others movement goals.

Course Cost:

Approximately \$80 for outdoor education trip

Achievement Standards that will be drawn from for an assessment programme:

NCEA Information

The National Certificate of Educational Achievement NCEA

This is an introduction to assessment against achievement standards and unit standards and the National Qualifications Framework (NQF) at Longburn Adventist College.

How To Gain NCEA

In Years 11, 12 and 13, subjects will offer a range of standards which assess different areas of knowledge and skills. These are called standards. Each standard is worth credits which will contribute towards gaining NCEA at Level 1, Level 2 and Level 3. Each subject will offer up to 24 credits.

How to achieve standards to gain credits:

Achievement Standards are assessed by internal assessment, which takes place in school throughout the year (quality assured by NZQA), and by external assessment which is assessed by NZQA at the end of the year. The results have levels of achievement: Not Achieved (N), Achieved (A), Achieved with Merit (M) and Achieved with Excellence (E).

Unit Standards are assessed internally in school or the workplace and usually assess a more vocational based skill. They lead to a more specific qualification, eg Building and Construction Certificate.

Results are either Achieved (A) or Not Achieved (N).

The minimum requirements for the NCEA Level 1, 2 and 3

NCEA Level	Credits required	Literacy and Numeracy credits required
Level 1	80 credits: At Level 1 or above	10 literacy, 10 numeracy
Level 2	80 credits: 60 at Level 2 or above plus 20 at any level	10 literacy, 10 numeracy
Level 3	80 credits: 60 at Level 3 or above plus 20 at Level 2 or above	10 literacy, 10 numeracy

NCEA Level 1 Literacy and Numeracy Requirements

Students will achieve 10 Literacy and 10 Numeracy Credits through either:

- Achievement standards - available through a range of subjects with a minimum of 10 credits, or
- Unit standards - package of 3 unit standards worth a total of 10 credits.

English & Te Reo Māori	The Arts	Health & Physical Education	Learning Languages	Maths & Science	Science	Social Sciences	Technology
------------------------	----------	-----------------------------	--------------------	-----------------	---------	-----------------	------------

University Entrance Requirements

Students begin preparing for University Entrance from NCEA Level 1.

There will be some requirements to meet in each NCEA level, from Level 1 to 3.

University Entrance 2017

To achieve University Entrance students must gain all of the following:

NCEA Level 3

Three subjects - at Level 3

Made up of:

14 credits each, in three approved subjects

Literacy

10 credits at Level 2 or above

Made up of:

5 credits in reading

5 credits in writing

Numeracy

10 credits at Level 1 or above,

Made up of:

Achievement Standards – specified achievement standards available through a range of subjects, or unit standards

Course/Subject Endorsement

Students may receive NCEA endorsement for individual subjects.

Merit endorsement: 14 credits at Merit (or a mix of Merit and Excellence) in one year. At least 3 credits must be internal and 3 credits must be external.

Excellence endorsement: 14 credits at Excellence in one year. At least 3 credits must be internal and 3 credits must be external.

NCEA CERTIFICATE ENDORSEMENT

Students will require 50 credits at Excellence to gain an NCEA endorsed with Excellence, and 50 credits at Merit (or Merit and Excellence), to gain an NCEA endorsed with Merit.

Credits can be gained over more than one year and more than one level, but must be gained at the level of the certificate or above. Eg. Level 2 credits will count towards endorsement of a Level 1 NCEA, but Level 1 credits will not count towards endorsement of a Level 2 NCEA.

Choosing Subjects Wisely

Use these questions as prompts to help you consider what subjects you need to be taking next year:

Interest

What do you enjoy learning?

Ability

What subjects are you good at? Have you got ability in this subject?

Career Pathway

What subjects do you need? What qualifications do you need?

Qualifications

What qualification/s do you need to achieve?

Pre-requisites

Have you got the prior learning needed?

How I like to learn

Will the way learning occurs in this subject help me achieve my best results?

Vocational Pathways

Vocational Pathways is a Ministry of Education tool that has been developed to help you plan your journey from secondary school to the work force. It is a new way to achieve NCEA Level 2. Vocational Pathways help you to see how your Level 2 learning and achievement matches against specific 'sector-related' standards with six industries.

- Get the info: <http://youthguarantee.net.nz/vocational-pathways/>
- Build your own vocational pathway profile: <http://youthguarantee.net.nz/vocational-pathways/profile-builder/>
- Info for Students and Whanau: <http://youthguarantee.net.nz/vocational-pathways/students-and-whanau/>

The Vocational Pathways Award – shows on your Record of Achievement

NCEA Level 2 80 credits	<i>Vocational Pathways Award</i> 60 Level 2 credits from the recommended pathway(s)	20 credits must be from sector related standards
Gain 10 credits – Literacy Gain 10 credits – Numeracy		

Vocational Pathways – 5 sectors of industry

The pathways will help you see how learning is relevant to a wide range of jobs and study options, in five broad sectors of industry:

- Manufacturing and Technology
- Construction and Infrastructure
- Creative Industries
- Primary Industries
- Social and Community Services, and
- Services Industries

Why is it good to know about your achievement against Vocational Pathways?

- You can show your family, whanau or aiga your strengths, interests and achievements.
- You can identify your interests and link them to a career path.
- You might identify subjects or assessments that you need to take to follow a particular vocational pathway.
- The Vocational Pathways identify many different occupations – some of which you may never have considered before.
- The pathways also show you what employers may expect to see you achieve in your learning.
- The pathways help you be sure that you are developing the right skills for a particular career.

A Vocational Pathways qualification could lead you into either further study or give you entry into the workplace.
