

2020 Senior Graduation and Prizegiving Awards

The school conducted its 108th graduation ceremony and what a weekend it was! We are extremely proud of all the Year 13 students and their achievements. There were some beautiful moments over the weekend celebrations - from heartfelt testimonies to forward somersaults of pure joy. We were especially mindful that our International families were unable to be with us however provision was made to include them via livestream. Thank you to all our Year 13s and staff for a very special weekend. The Year 11 & 12 Prizegiving was also a moment of celebration, to commend our senior students for the academic persistence that they have demonstrated in 2020. It has not been an easy journey for the senior students and for that, we salute them for perseverance and their achievement.
