

2021 Senior Graduation and Prizegiving Awards

The school conducted its 109th graduation ceremony and what a great event it was! We are extremely proud of all the Year 13 students and their achievements. Despite the adjustments that needed to be made to keep in line with COVID 19 lockdown expectations, the heart of the celebrations were evident. There were some beautiful moments over the two events, the Friday Evening dinner and the Graduation Ceremony - from heartfelt teacher tributes towards students to colourful leis of celebration. We were especially mindful that families, both domestic and overseas, were unable to be with us for both programs; however provision was made to include them via livestream. Thank you to all our Year 13s and staff for a very special weekend. The Year 11 & 12 Prizegiving was also a time of celebration, to honour our senior students for the academic persistence that they have demonstrated in 2021. It has not been an easy journey for the senior students and for that, we salute them for their perseverance and achievement.
